YAEL HAZAM

Software Engineering Student | AI Engineering

ABOUT ME

Software Engineering student with a strong interest in understanding how systems work at a fundamental level. I'm a fast learner who enjoys diving into new concepts, working hard, and seeing challenges through to the end. I bring a reliable, team-oriented approach and consistently put in the effort needed to produce clear, well-structured solutions.

SKILLS

Programming Languages:
- Python
- C
- C++
- C#
- Java
- JavaScript
- TypeScript
- SQL
- Assembly (academic)

Backend & Web:
- Node.js
- Express.js
- REST APIs
- MongoDB
- Mongoose

Systems & Tools:
- Linux fundamentals
- Git
- MVC-based backend architecture

Core Concepts:
- Object-Oriented Programming (OOP)
- Data Structures
- CPU architecture concepts

LANGUAGE

Hebrew - Native

English - Fluent

EDUCATION

B.Sc. in Software Engineering, Specializing in AI Engineering
2024 – 2028 (Expected)

Shenkar College of Engineering, Design and Art, Israel

Practical Engineer – Software Engineering (Diploma), with Distinction
2022 - 2024

Shenkar College of Engineering, Design and Art – Handesaim Program

WORK EXPERIENCE

Crocs, Tammuz Group | Sales Associate
Oct 2026 – Present

- Work directly with customers on fit and model selection
- Firsthand view of store operations and the internal tools staff rely on

Control Center Operator | Israeli Navy
2019 - 2021

- Operated command and control systems in a maritime operations center
- Monitored real-time operational data and system alerts
- Worked under time pressure while following strict operational procedures
- Maintained high levels of accuracy, attention to detail, and situational awareness
- Collaborated with multiple units using structured communication protocols

URJ Eisner Camp, USA | Summer Counselor
2017

- Worked as a summer counselor responsible for daily supervision and guidance of campers
- Participated in a structured instructors training program
- Developed strong teamwork, responsibility, and communication skills
- Worked in a multicultural, English-speaking environment

Academic Achievements

Practical Engineer – Software Engineering (Diploma), with Distinction

- First Year GPA: 93.28
- Overall GPA: 93.0

Academic Excellence in Core Courses:

- Data Structures and Object-Oriented Programming - 96 (Practical Software Engineering)
- Algorithms and Programming (C#) - 88 (Practical Software Engineering)
- Object-Oriented Programming – 90 (B.Sc.)
- Object-Oriented Analysis and Design (OOAD) – 86 (B.Sc.)

Projects

- **HandsOn | Volunteering Platform**
  Built during the war to connect volunteers with nonprofits, businesses and individuals seeking help.
- **eatNmeet | Food Meetups Platform**
  A platform for events and meetups around food, connecting people who love food.
- **Crocs Size Finder | Prototype**
  Recommends size and model from foot length, width and use, based on catalog data from 12 WeShoes models. Live at yaelhazam.github.io
